Stand Up Banner Guidelines

CALM TREES PRINTING

Bleed Area 33.75″ x 79.25″
Extend your background to fill the full ‘bleed area’ in order to avoid white edges when your banner is trimmed.

Trim 33.5″ x 79″
This is where we aim to cut.

Safe Area 33.25″ x 78.75″
Keep all the important bits of your design within this area.

Before You Send:

- File is in CMYK colour mode
- All text layers have been outlined
- All important text, images, and artwork are inside Safe Area
- Background extended to fill Bleed Area

Please Avoid:

- No additional bleed has been added
- No additional crop marks have been added
- No Images and layers have been flattened
- Send PDF to **print@calmtrees.com**
